Captain Dey said he had resigned because he was a candidate for re-election to the office of Commissioner of Revenue, and since his resignation and Judge T. H. Willcox's election and dedination, he had been solicited by friends and representatives of both the factions of the Democratic party to again become the head of the party. Several candidates had joined in the solicitation, he said, and with the understanding that the committee was to have nothing to do with the coming primary, save to fix the date for same, he would accept the chairmanship.

PRIMARY DATES.

The committee decided upon April 17th and 19th as the days for holding the primary. The one day's interval is for the purpose of giving the judges and clerks time to rest from their first day's labor before starting upon the second.

THE WAYS AND MEANS.

First Ward, Mr. Johnson; Second Ward, Mr. Obendorfer; Third Ward, Mr. Randolph; Fourth Ward, Mr. Jaques; Fifth Ward, Mr. Hill; Sixth Ward, Mr. Dozier. Mr. Jaques is chairman.

Interesting Match Games to be Played Here in April.

Besides the two National League teams mentioned, it is probable that the Baltimore and Washington teams, of the Eastern League, will play here some time next month.

The Syracuse, N. Y., club, temporarily managed by "Jake" Wells, the Richmond magnate, and composed almost entirely of last year's Richmond payers, will play the Virginia teams. The game between Syracuse and Norfolk will be played in Richmond the 18th of April, and it is probable that a good crowd of Norfolkians will go up to the Capital City to witness the game. Hargroves, of Norfolk, is on the Syracuse team this season.

Probably the best match game that will be seen here will be that between the Boston National League and the Yale College teams. This will come off April 14th. Boston is thought by many to stand a good chance for the pennant in the big league, and Yale is looking forward to winning the championship from Harvard.

NOTES OF INTEREST.
